RE: Raslan v. ABC Credit & Recovery...), case number 1:23-cv-1909, - Motion to Vacate and for an Extension of Time

Dear Ms. Moreno:

I was informed that our attorney, who has been out of his office since 7/10/23, won't be returning back until next week. I'm sorry for asking for an extension, however, the first or second week of August 2023, whichever is best for your calendar, would give our attorney the time necessary to properly respond.

Please help us file a motion to vacate for an Extension of Time. The following are facts related to this matter;

1. I am the owner of ABC Credit & Recovery Services Inc.
2. I was made aware of the order setting the time to file a Motion to Vacate until June 22, 2023.
3. I am requesting that the technical default be vacated and that ABC Credit & Recovery Services, Inc. have fifteen 15 days or more to have counsel answer and file responsive pleadings.
4. This is not being filed for purposes of delay or harassment.

Sincerely,

Joseph M. Speziale
President
